- An overall band score of 7.0 on the International English Language Testing System (IELTS) for Postgraduate studies and 6.0 for Undergraduate studies; or

For further information refer to the relevant section of the Undergraduate Prospectus.

Study Visa Requirements

All students planning on studying in South Africa for a semester or year are required to obtain a study visa before leaving their country. The South African consulate issues the visa. To apply for a study visa, you will need a valid passport, a letter of acceptance from the University, letter from the University in support of visa application, proof of health insurance, a deposit for repatriation, a return air ticket and money for the cost of a study visa.

For detailed information on study visas please refer to the Undergraduate Prospectus for more information.

International School and short-term programme participants need to obtain an endorsed visitor's visa before leaving their country. To obtain the endorsed visitors' visa, you will need an acceptance letter from the University of KwaZulu-Natal, proof of health insurance, and money for the cost of the whole programme. Some nation's citizens do not require a visa to enter South Africa for a period less than 90 days. You will need to present the letter of acceptance from the institution/university, at the port of entry.

Health Care Insurance

(Applicable to Study Abroad and Exchange Applicants only)

All international students need to comply with the visa regulations as determined by the Immigration Act, Act 13 of 2002.

Regulation 10(1) (i) determines the following:

**An applicant for a study visa is required to provide:

(i)*proof of medical cover with a medical scheme registered in terms of the Medical Schemes Act, 1998 Act 131 of 1998, recognised in the Republic*

Our institution's interpretation of the requirements in this regard is that appropriate medical cover via a registered South African medical scheme is required. This minimum basic cover as prescribed in the Medical Schemes Act, which can be obtained through very affordable medical scheme products, specifically suited to the needs of international students, is the best way to minimise the risk for the university or students to be liable for general medical costs.

UKZN in accordance with the spirit of the Immigration Act will only accept **South African registered medical schemes** for registration purposes. UKZN is allowing the use of the following service providers:

Compcare: Website: www.studentplan.co.za

Momentum Health: Website: www.ingwehealth.co.za

Course Selection Procedure

Exchange and Study Abroad Applicants:

The application form asks you to pre-select courses. You are required to confirm course offerings before making your choice. To assist students in choosing courses the information provided below will help to understand how the module is structured, and help you choose courses available in the semester in which you wish to enrol.

Explanation of codes

In the handbook each module is identified by name and by a nine-character code, e.g. **POLS101 H1**. This is made up as follows:

- The first four letters identify the discipline or area of specialisation (**POLS** = Political Science).
- The following numeral indicates the module's level (**1** = first level/year, **2** = second level/year etc). In this case it is a first level/year module.
- The next two characters (letters and/or numbers) identify the individual module, since disciplines may offer more than one module at the same level. In this case the identifier is **01**.
- The next character is used to indicate the campus on which the module is offered (H = Howard College, P = Pietermaritzburg, W = Westville). In this case the **H** indicates that the module is offered on the Howard College campus.
- The final character indicates when the module is offered (1 = first semester, 2 = second semester, B = both semesters, C = either first or second semester, V = vacation, Y = entire year). In case of the above the module is offered in the first semester.
- The abbreviations on the right of the page, following the module name (e.g. 30 **L**-10**T**-0**P**-0**S**-90**H**-24**R** **OF** **OG** 6**A**-13**W**-16**C**) provide the following information:

30 L = 30 Lectures

10 T = 10 Tutorials

0 P = no Practicals

0 S = no Seminars

90 H = 90 Self Study hours, resource based learning and work on assignments

24 R = 24 Hours of Revision

0 F = no Field placements/Internships

0 G = no Problem based groups

6 A = 6 Assessment items (tests, assignments, etc.)

13 W = 13 Weeks

16 C = 16 Credits
